### The Wine

The Barolo D.O.C.G. CAROBRIC® was born in 1996 as a combination of three historical and complex terroir.

The Barolo CAROBRIC® personality is about focus, precision of elements, intensity and length. The aromatics are lifted with a beautiful tension and clarity.

As per all our Barolo, we pursue the purest expression of terroir. Therefore vinification and aging are all the same to underline specific expression of the vineyards.
