

## Barolo D.O.C.G. Monvigliero

### The Wine

This Barolo comes from the homonymous vineyard of Monvigliero that can be properly considered the "grand cru" of Verduno village. This cru was first vinified in 2000 vintage and blended into the Barolo until the 2007 vintage when this vineyard has been bought by the Scavino family and made as a single cru.

Great finesse and aromatic complexity, distinctly floral spicy, savory, balsamic in its expression. The nose is vivid and compound. The texture is focused. An extremely elegant cru, feminine and full of character.

### The Vineyard

Village: Verduno

Cru: Monvigliero

Altitude, Exposure: 310 mt, south-east

Soil: predominantly limestone, light colored mixed with chalky veins quite characteristic of this commune.

Planting year: 1968, 2005

### The Grape

Nebbiolo
